

The MDRT Foundation names advisor from Indonesia Johan Fanggara to its Board of Trustees

PARK RIDGE, Ill. (Sept. 12, 2023) — Johan Fanggara, CFP, of Jakarta, Indonesia, has been named a Trustee to the [MDRT Foundation](#) Board, with his three-year term beginning September 1, 2023. The MDRT Foundation is the charitable arm of [MDRT](#), the leading international association for financial services professionals. Fanggara is a seven-year member of MDRT, and a dedicated volunteer for both MDRT and the MDRT Foundation.

"We look forward to Johan joining our leadership team and helping us achieve our goals in the coming years," said MDRT Foundation President Andrew C. Lord, CLU, ChFC. "His commitment of finding ways to give back truly embodies the community service aspect of the Whole Person concept we encourage all our members to practice."

As a Trustee of the MDRT Foundation Board, Fanggara is responsible for supporting the organizational growth of the Foundation while providing oversight for the programs supporting people in need. The MDRT Foundation's Global Grants Program provides an opportunity for MDRT members to obtain funding for charitable organizations in their communities. Grants fund a variety of programs, including those that serve at-risk youth, homeless individuals, people with disabilities and the elderly. In 2022, the Foundation awarded more than USD 1.7 million in grants to charities throughout the world.

"The expertise and friendships I gained through MDRT membership to better serve my clients and improve as a financial advisor made me think of how I could give back to the organization that has given me so much," Fanggara said. "After seeing how involved the MDRT Foundation is around the world, I knew I needed to join and help as many others as possible."

On behalf of MDRT, Fanggara participated in the Membership Communications Committee as a local contact to monitor industry activities and involvement worldwide. He served on the Business Processes Task Force-Asia, was a Program General Arrangement volunteer at this year's MDRT Global Conference in Singapore and will serve on the Global Conference Program Development Committee for 2024. For the MDRT Foundation, he

served as an MDRT Gives Day fundraiser for two years and as a grant evaluator to review applications and determine funding amounts for charity applicants for the Global Grants Program.
